ASHRAE'S BCXP CERTIFICATION PROGRAM
The BCxP certification programme from ASHRAE verifies the competence of commissioning team leaders to implement commissioning procedures in both new and existing buildings.
ASHRAE is a diverse association with more than 50,000 members from more than 130 countries that is committed to developing the arts and sciences of heating, ventilation, air conditioning, and refrigeration to benefit humanity and encourage a sustainable future.
The BCxP certification verifies the ability to manage, lead, plan, and organise a commissioning team to carry out commissioning procedures in both new and old structures.

CERTIFICATION

The BCxP certifies proficiency in the following crucial areas: managing commissioning projects, creating commissioning paperwork, managing training activities, finishing warranty phase tasks, and carrying out ongoing commissioning.

Professional Recognition – This is the proof – the BCxP designation sets you apart as someone with the commitment, dedication, and knowledge to succeed.

WHY PURSE AN ASHRAE BCXP DESIGNATION ?

- ☑ Improve your standing and job prospects.
- ☑ Exhibit proficiency in key knowledge and abilities related to building commissioning.
- ☑ Increased recognition is guaranteed with the BCxP digital badge.
- ☑ The U.S. Department of Energy recognises ANSI-accredited testing as being fair and valid (DOE)
